

# ALBERTA BUILT

## PARTNER OPPORTUNITIES

Hockey Alberta wants to work with partners who share in our vision, HOCKEY FOR LIFE. For you, sponsorship is a powerful way to spend your marketing and advertising dollars. Sponsorship tells the residents of Alberta, and beyond, that you believe in supporting growth, leadership, development, and excellence to help ensure this province's rooted hockey foundation is ALBERTA BUILT for future generations.

Your message will reach the core of Alberta's hockey community. And Hockey Alberta's stakeholders in that community - players, coaches, officials, trainers, parents - will benefit because of your commitment to be an ALBERTA BUILT partner.
