## Hockey Alberta Registration Fee changes for 2024-25

Hockey Alberta is increasing the **Hockey Alberta Registration Fee**, effective for the 2024-25 season.

The **Hockey Alberta Registration Fee** is assessed for each registered Hockey Alberta participant (Team Official or Player). It is invoiced to registered Senior and Junior Teams, along with member Minor Hockey Associations, Accredited Schools, Pond Hockey, Recreational Hockey, and Para Hockey organizations.

The **Hockey Alberta Registration Fee** helps offset the costs associated with Hockey Alberta's administration of operations, member service and development activities. The **Registration Fee** also includes designated allocations to the Facility and Technology Funds overseen by the Board of Directors.

For 2024-25, Hockey Alberta is increasing the **Registration Fee** for all Players and Team Officials by \$1.00 - except at the Intro to Hockey level. This increase is to help offset inflation.

### **IMPORTANT NOTE:**

There will be no changes to Hockey Canada Participant and Insurance Fees for 2024-25 season, however Hockey Canada is currently in the process of reviewing their rates with anticipated increases being implemented for the 2025-26 season.

A breakdown of fees collected on behalf of Hockey Alberta and Hockey Canada, and the projected Total Fee per Participant, is provided on page 2 of this Bulletin (*changes to fees are shown in red text*). More information on Hockey Alberta's finances is reported to the membership annually in Hockey Alberta's Audited Financial Statements and can be reviewed on the [Hockey Alberta website](#).
