(Player's Signature)

Upon reinstatement, any player who has been a professional, as provided by Article 4 of the Constitution, may play for any team in this Association for which he is qualified in respect to age but subject to the following conditions:

Any amateur hockey player, who becomes a professional and is reinstated to amateur standing during the same season shall be the property of the amateur team or club with which he was last registered prior to turning professional, provided it has a player registration certificate available for him to sign and the player is otherwise eligible.

The final date of reinstatement and registration is February 10.
