

## **2017 THERAPIST APPLICATION**

---

# 2017 Alberta Cup Therapist Opportunities

## General Program Information

The Alberta Cup is a core Hockey Alberta Development Program. It provides all players, coaches, therapists and referees an equal opportunity to discover the great qualities of competitive hockey in a well- organized and fair Zone Camp and Select Team competition.

As part of the program, an emphasis is placed on the development and identification of Alberta's best hockey people; that might have an opportunity to represent Alberta at future national or international events. The Alberta Cup leads able participants through the development process to Team Alberta and further opportunities.

The preparation and training of the coaches, therapists and referees for the Alberta Cup is crucial to the success of the program and ensures quality leadership for the future of Hockey in Alberta. Hockey Alberta routinely selects only the best available coaches, therapists and referees to develop, but ensures their commitment to excellence and fairness in the program.

"We are dedicated to providing progressive opportunities for coaches to develop technical skills and leadership qualities, while promoting safety and fairplay."

### **2017 Alberta Cup: ⇒ April 26 – 30 (Canmore)**

- We are looking for one support staff to head up the Safety Program for each of the Alberta Cup teams through the zone/regional camps and competition.
