

# 2017 Alberta Cup Coaching Opportunities

## General Program Information

The Alberta Cup is a core Hockey Alberta Development Program. It provides all players, coaches, trainers and referees an equal opportunity to discover the great qualities of competitive hockey in a well-organized and fair Zone Camp and Select Team competition.

As part of the program an emphasis is placed on the development and identification of Alberta's best hockey people; that might have an opportunity to represent Alberta at future national or international events. The Alberta Cup leads able participants through the development process to the Team Alberta program.

The preparation and training of the coaches, trainers and referees for the Alberta Cup is crucial to the success of the program and ensures quality leadership for the future of Hockey in Alberta. Hockey Alberta routinely selects only the best available coaches, trainers and referees to develop, but ensures their commitment to excellence and fairness in the program.

"We are dedicated to providing progressive opportunities for coaches to develop technical skills and leadership qualities, while promoting safety and fairplay."
